connect HUB coworking

Memberships

Connect Hub Coworking offers membership options that are on demand and flexible. From day passes to 6 month office terms, we have a solution that can work for your needs. Memberships offer access to commons space, conference rooms, resources and events and more.

Private Office
STARTING AT $650/MONTH

Our private offices are furnished and provide closed-door privacy for you and your team. Set up all the tools you need to get your work done in your own office. Natural light, use of 3 conference rooms, unlimited printing, your own mailbox and a prestigious address are all included along with all of our standard amenities.

Connect Hub Coworking offers professional and turnkey work space for solo entrepreneurs to enterprise businesses. One month deposit required. Quick and seamless onboarding is our specialty so you can move in as soon as you need!

Dedicated Desk
STARTING AT $450/MONTH

Ideal for those who work from multiple monitors. Our desks are adjustable to standing height and the chairs are ergonomic. Phone booths, coffee, water, and conference rooms are all included in your monthly membership. No deposit required.

Coworking
STARTING AT $250/MONTH

Perfect for the telecommuter, entrepreneur, student or traveler. Bring your laptop, grab a seat and connect to our wifi. Phone booths, coffee, water, and conference rooms are all included in your monthly membership. No deposit required.

Conference Room Rentals
STARTING AT $25/HOUR

On-demand conference rooms are available when you need them. Technology is available in each conference room for remote meetings.

Daily Drop-In (Day Pass)
STARTING AT $20/DAY

For anyone who is visiting from out-of-town that needs the space, but wants a more productive environment compared to a coffee shop.

Space Rentals
CONTACT US FOR PRICING

Off-sites, product launches, holiday parties and group exercises are all perfect for renting the space.

Virtual Mailbox
STARTING AT $100/MONTH

Mail service only. Day passes can be purchased when needed.
